*- with celebrations on the 90<sup>th</sup> Anniversary of the*

*Palaeontological Society of China*

November 17-19, 2019, Beijing, China

## SECOND CIRCULAR

### GENERAL INFORMATION

The Organizing Committees of the First Asia Palaeontological Congress (APC2019), representing the Palaeontological Society of China and other scientific institutions, cordially invite you to participate in the:

#### **1<sup>ST</sup> ASIAN PALAEOLOGICAL CONGRESS (APC2019) IN BEIJING, PEOPLE'S REPUBLIC OF CHINA NOVEMBER 17- 20, 2019**

The 1<sup>st</sup> Asian Palaeontological Congress (APC 2019) will be held with celebrations on the 90<sup>th</sup> Anniversary of the Palaeontological Society of China. This congress is co-sponsored by the Palaeontological Society of China (PSC), the Palaeontological Society of Japan (PSJ) and Paleontological Society of Korea (PSK). The topic of APC 2019 will be “Palaeontology of New Eras in Asia: collaboration and innovation”. During the congress, the Asian Palaeontological Association (APA) will be officially established. This congress will exhibit the recent progresses achieved by a variety of topics of the palaeontological studies in Asian regions, and will strengthen the collaborations and communications for palaeontological societies among Asian countries in the fields of scientific research, education, fossil protection and museum displays.

### CONGRESS VENUE

The conference venue is located in the *China Hall of Science and Technology (CHST)*, located in No.3 Fuxin Road, Haidian District of central Beijing.

## SCIENTIFIC SESSIONS

Scientific sessions are planned for the congress in the whole day on November 19, 2019, including the following topics (the session program schedules and list of conveners/chairs will be announced in the Third Circular):

- S1. Early life evolution and Cambrian Fossil Lagerstätten;
- S2. Biodiversity and palaeoenvironment in the Paleozoic;
- S3. Biodiversity and ecosystem in the Mesozoic and Cenozoic;
- S4. Dinosaurs and their evolution;
- S5. Origin and evolution of fossil vertebrates and humans;
- S6. Molecular palaeontology and geobiology;
- S7. Palaeobotany and palynology;
- S8. Micropalaeontology and its practical applications;
- S9. New technologies and methods in palaeontological research;
- S10. Natural history and palaeontology museums and science education.

## LANGUAGE

The official language of the congress is English. The celebration session for the 90<sup>th</sup> Anniversary of the Palaeontological Society of China in morning of November 18, 2019, will be in English and Chinese.

## ORAL AND POSTER PRESENTATIONS

The oral presentation should be prepared using Windows Power-point files. Time for oral presentations are varied depending the following categories:

- 1) 30 min for invited Plenary talk;

## SOCIAL PROGRAMS

1) **Ice breaker and welcome reception:** will be arranged in the evening of November 17 and 18, 2019, respectively.

2) **Book and journal exhibitions:** These include some of the science publishers from China and other countries, display the geoscience and palaeontological books, monographs, and periodical journals. If the publisher or journal editorial department would like to join this exhibition, please contact with the organizer by sending email to: [psc@nigpas.ac.cn](mailto:psc@nigpas.ac.cn)

3) **Museum and institute visits:** During the congress, visits to museums and institutes in Beijing will be arranged, including Palaeozoological Museum (IVPP), China Geological Museum and Beijing Natural History Museum.

## ABSTRACTS VOLUME

An abstracts volume will be printed prior to the congress and will be distributed to participants. Participants are invited to submit abstracts in all areas related to aspects of paleontology for the APC2019.

Each abstract is limited to one A4 page. Use Times New Roman font, 12 points for the text. Each abstract includes: title, author(s), affiliations of the author, corresponding author\* and email address, key words. Figures and tables should not be included in the abstracts. See attached file for abstract format.

The deadline for abstract submission will be extended to: **October 25th, 2019 (final extension). No more manuscript will be accepted after October 25th, 2019.** Please submit your abstract as an attached MS Word file to PSC Secretariat: [psc@nigpas.ac.cn](mailto:psc@nigpas.ac.cn).

## CONGRESS PROCEEDINGS

The proceeding volumes of APC2019 will be planned in society journals or other international journals, including *Acta Palaeontologica Sinica*, *Paleontological Research* and *Palaeoworld*. Details will be available in the congress program.

## INVITATION AND VISA

An **official invitation visa letter** is available for participants upon request for submitting to Embassy or Consulate of China. This invitation will be arranged by electronic versions (PDF file) signed by the Chair of the Congress Organizing Committee with the official seal of the organizing institute and will be sent to participants by email attachments.

For those who need the **entrance visa** to China for attending the congress, the following
